Improving your drive on
I-675

Saginaw County

2010
Road and Bridge
Improvements

Destination Maps

During 2010, construction extends 8 miles on
northbound I-675 in Saginaw County.

DIRECTIONS

What To Do

Plan an alternative route, plan a backup alternate route in case of an incident on primary alternate, consider an alternate means of commuting (bus, carpool, or vanpool).

Motorist Information

During construction, signs will alert motorists to detours and lane closures on local roads above and below I-675.

Electronic Mailing List

MDOT has created an I-675 Improvements electronic mailing list, known as a “Listserv.” This list will serve the motoring public and the media by providing regular updates regarding the progress of work on I-675.

Web Info

For up-to-date information on this project and to sign up for e-mail updates, visit MDOT’s I-675 Improvements Web site at www.michigan.gov/I-675.

Visit MDOT’s I-675 Improvements Twitter Web site at www.twitter.com/MDOT_I675.

RECYCLED PAPER

What

The Michigan Department of Transportation (MDOT) is investing \$42 million during 2009 and 2010 for road and bridge construction work on 8 miles on I-675 in Saginaw County. The project includes concrete pavement repairs on I-675 and the interchange ramps. Bridge overlay and rehabilitation work on multiple bridges is scheduled, along with deck replacement on the Henry Marsh Bridge. Sidewalk improvements along Wadsworth and Fitzhugh streets in downtown Saginaw are also planned.

Where

Work begins in Buena Vista Township at the I-675/I-75 southern junction and extends north through the cities of Saginaw and Zilwaukee, and Saginaw and Kochville townships to the I-675/I-75 northern junction.

When

I-675 northbound construction begins in February. Northbound lanes will be closed, with traffic detoured to I-75. This work is expected to be completed by December. I-675 southbound traffic will remain on I-675 southbound lanes.

Why

The purpose of these improvements is to increase traffic safety and improve the overall condition of this highway.

Traffic Restrictions

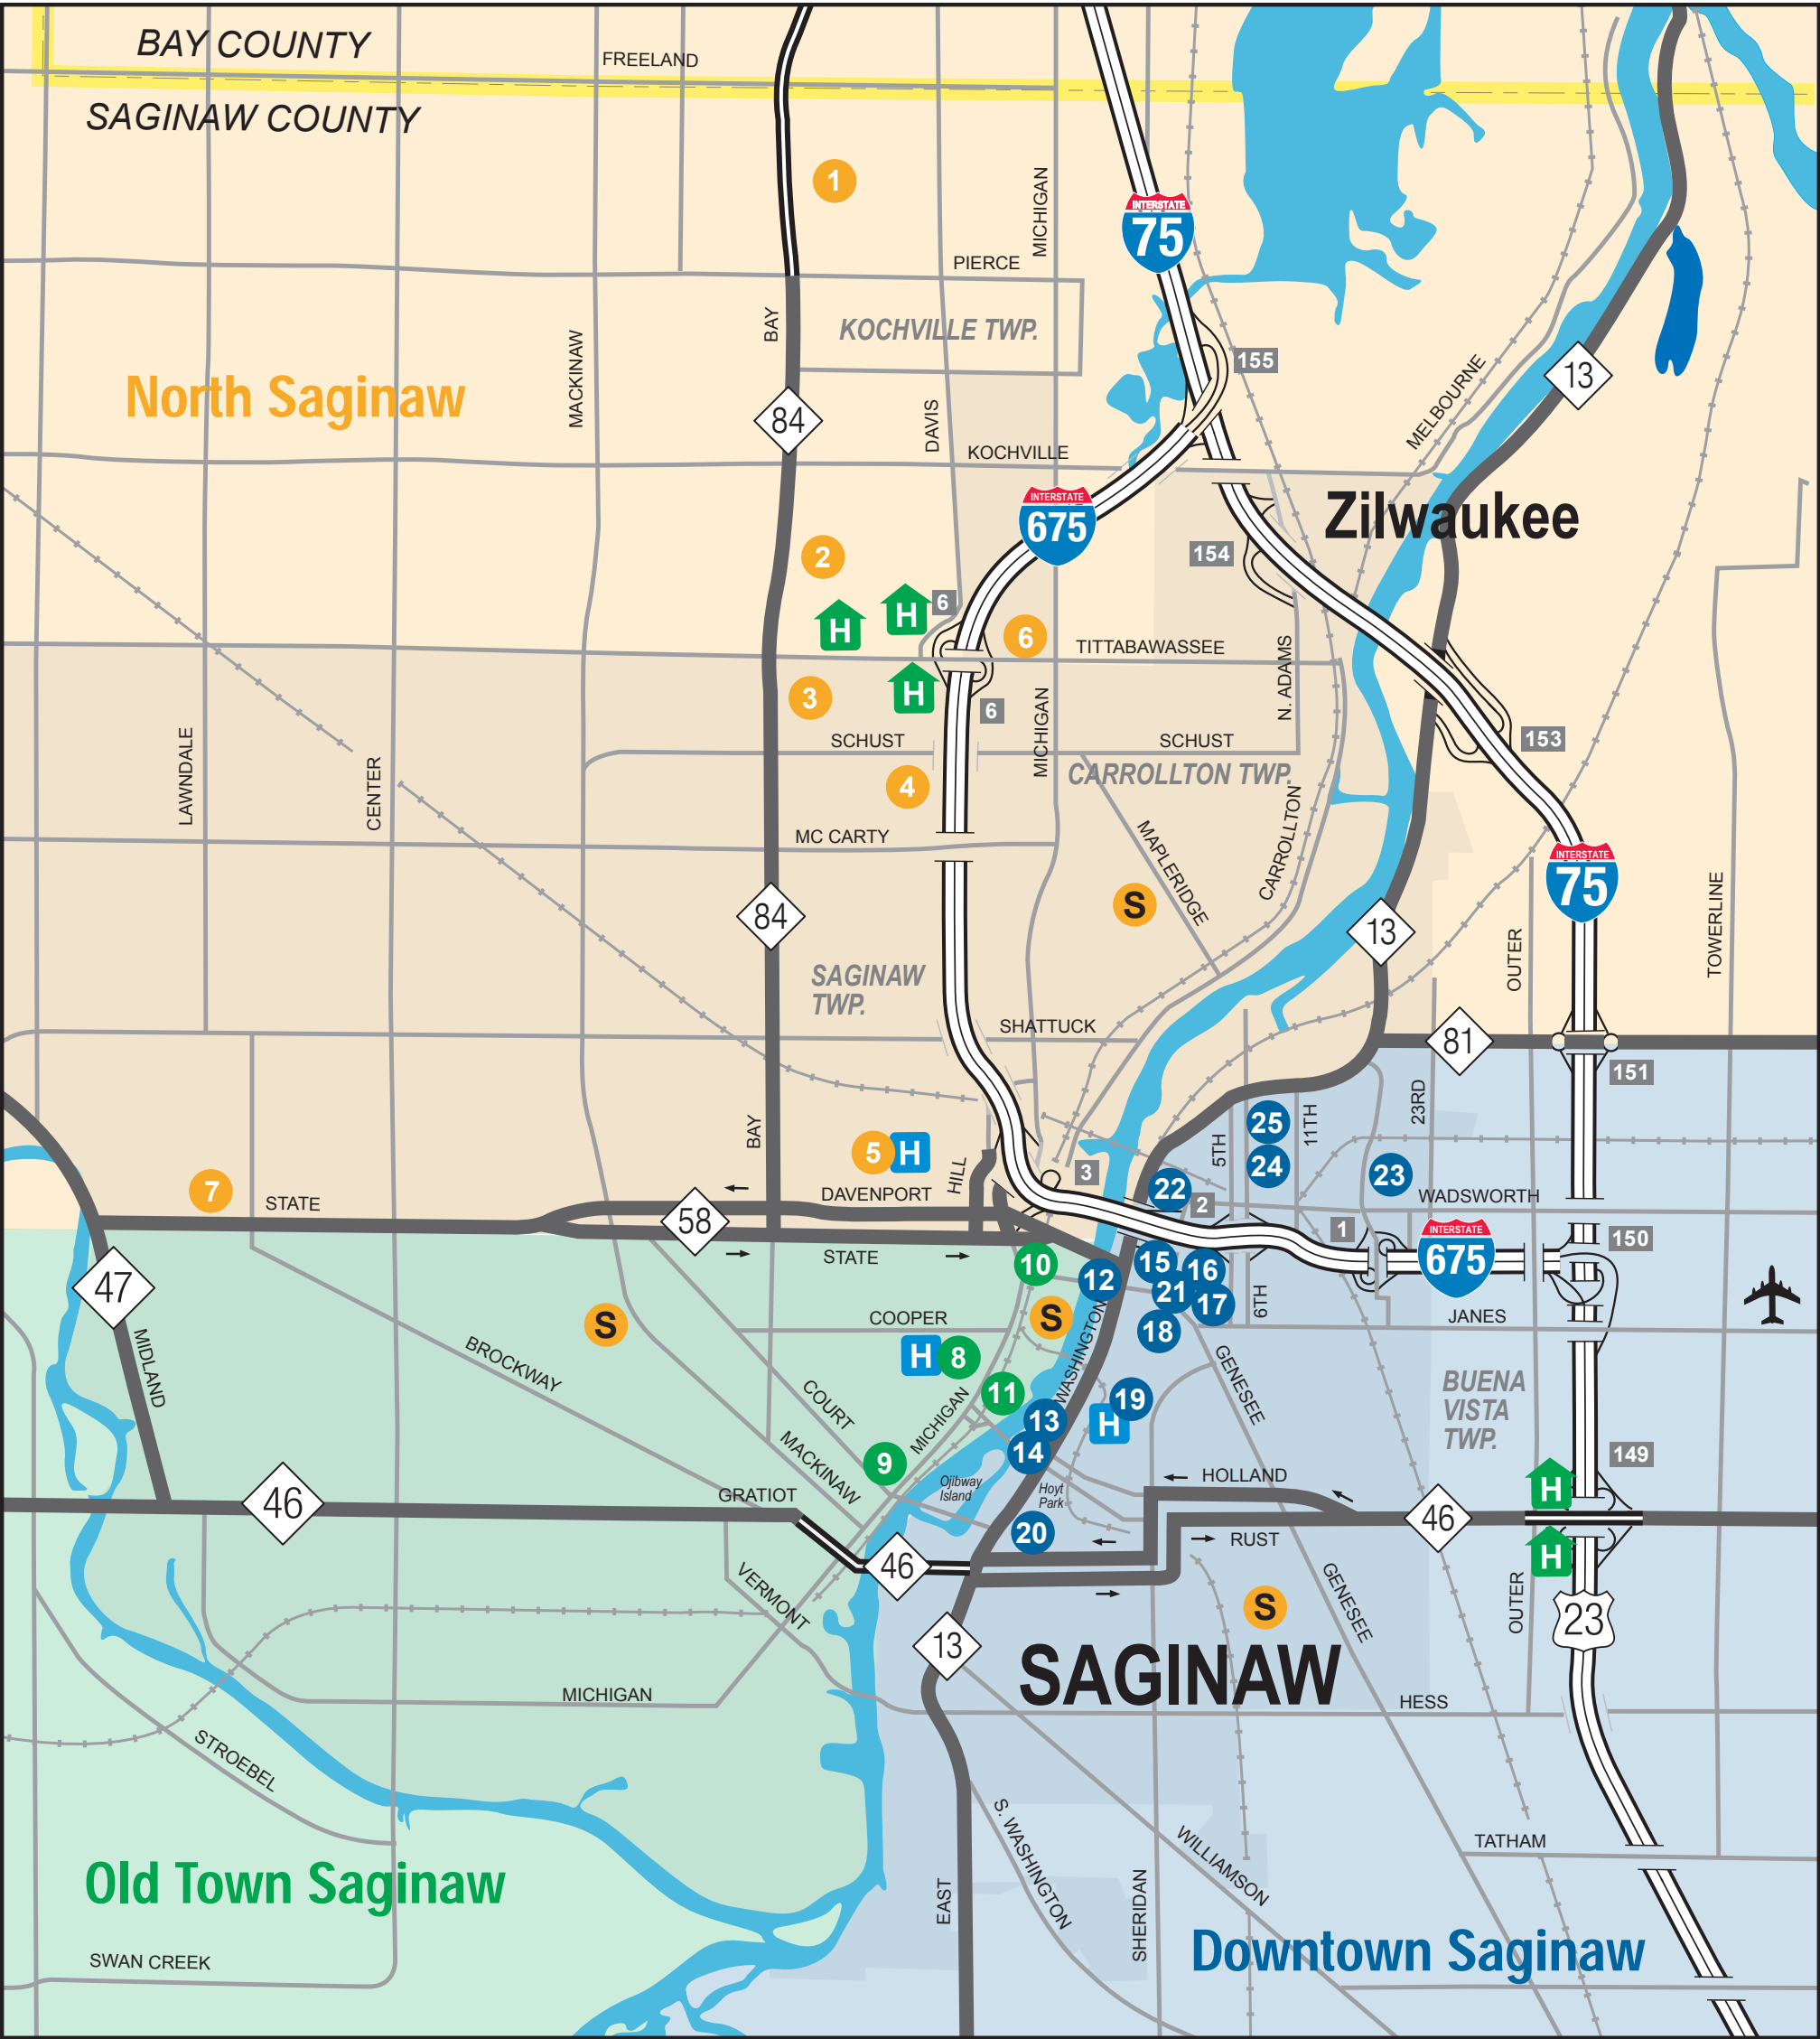

Lane closures and detours will be in effect while construction work is under way. Local road closures and ramp closures also will be required.

- To Downtown Saginaw DIRECTIONS:**
- From the north:*
- I-75 south to I-675 north (Exit 150). Take I-675 north to M-13/5th and 6th streets (Exit 2). Merge onto Wadsworth. Follow Wadsworth to M-13. Turn left or right on M-13 to local destination.
- From the south:*
- I-75 north to I-675 north (Exit 150). Take I-675 north to M-13/5th and 6th streets (Exit 2). Merge onto Wadsworth. Follow Wadsworth to M-13. Turn left or right on M-13 to local destination.

- To Old Town DIRECTIONS:**
- From the north:*
- I-75 south to I-675 south (Exit 155). Take I-675 south to M-58 (Davenport Road) (Exit 3) to local destination.
- From the south:*
- I-75 north to I-675 south (Exit 155). Take I-675 south to M-58 (Davenport Road) (Exit 3) to local destination.

- To North Saginaw DIRECTIONS:**
- From the north:*
- I-75 south to I-675 south (Exit 155). Take I-675 south to Tittabawassee Road (Exit 6). Turn left or right onto Tittabawassee Road to local destination.
- From the south:*
- I-75 north to I-675 south (Exit 155). Take I-675 south to Tittabawassee Road (Exit 6). Turn left or right onto Tittabawassee Road to local destination.
